AWWA WATER SYSTEM OPERATOR TRAINING

January 22, 2026

Dear Water Professional,

We have scheduled a training workshop specifically designed for small system water operators and managers in your area on **January 22, 2026**. We have selected subjects, suggested by previous workshop participants, which will be beneficial to both water system operators and managers. There will be **no charge** for this one-day workshop. This course has been approved for **0.6 CEUs**. This workshop will be held in **Santaquin**. We know that you are aware of the benefits of associating with other people in the water industry and we look forward to your attendance at this very successful workshop.

****Note on Parking****

Please park on street or at library. Senior Lunch taking place at the same time as training.
